## X. Event for a Cause

Monetary sponsorships ranging from ₱3,000 to ₱10,000 are available exclusively for Tier A and Superschools, subject to Sponsorship Division approval. To ensure proper

review and allocation, requests must be submitted at least two (2) months prior to the event; applications submitted under two months will be automatically declined. Approved diamond allocations cover manpower compensation and prizes based on event scale, participant numbers, and proposal merits.
